Photo Order Form Instructions & Information

NOTE: Please print and fill out form. Bring form (we will have extra blank forms available) to IC&C and present to Best Bets representative along with your payment. We take cash, checks, money orders, debit and most major credit cards. All prices quoted are US funds. Remember if you group orders together, there is only ONE \$5 postage charge. It is much easier and **safer** (with the postal system in US **and** in Canada) to have one person from each group put in the group order. **Please note: We cannot any longer accept American Express cards. Their charges have gotten way out of line – 10% in some cases. We still take Visa, Discovery & MasterCard.**

Performance/Candid/Award images – High Resolution Digital Images

We are again offering **performance, candid & awards digital images** at \$25 (US) for 5 performance images WITH a copyright release. These images along with their copyright release will be uploaded to DROPBOX. It's an easy and free option to receive your images. It's simple – you call or email us with your image numbers from the websites – we will pull the images, check to see if further edits are necessary and then upload the images to **Dropbox**. Once your images are uploaded you will receive an email “inviting” you to the folder. Simply follow the instructions and you receive your performance images IN HIGH RES in minutes. This is so much more efficient than mailing. **IT IS UP TO EACH GROUP TO SELECT THEIR IMAGES AND SEND US THE #s.**

Low Resolution Images of your PORTRAIT Image – Please read this information

In response to many inquiries and in keeping with other professional photographers who handle this type of event, we are offering a LOW RESOLUTION copy of your portrait image in 2016. **Here are the restrictions which will be stated in the limited copyright release:**

1. This low res digital image may only be used for social media (Facebook, Twitter, etc.), websites, emailing and the like. **NO PRINTING FOR PHOTOGRAPHS, BROCHURES, ETC. IS ALLOWED.** Low resolution digital files produce very poor quality printed photos.
2. Best Bets Photo will insert a SMALL logo on each image purchased. This will be placed at the discretion of BBP not covering any people in the image but also insuring BBP gets photo credit. We can also ascertain that an image placed on the internet, etc. has been purchased and has a CR (copyright release). Again, **NO printing for photographs!**
3. All portrait (photo room) low res images will be emailed to the person on your order form **ALONG** with the limited copyright release. It is **YOUR** responsibility to distribute (forward) this email to your group.

I will place a posting on the Harmony Facebook page and on my FB page as all the performance images are on line. As in years past, your wonderful webmaster also will put up a link on the regular Harmony website.

Our BBP Group is back intact again with year. Kelsey Ingram will be in the auditorium doing the performance images during the contests again this year and I will be in the photo room doing all the portraits, the candid and the like. Cindy will also be with us again this year. I think you will agree that we three make a good team.

As always, the **Best Bets** team wants to do everything possible to please all the ladies with Harmony. Please let us know if there is ANYTHING we can do to make your experience with us better. Of course, we take compliments too!

Look forward to see y'all in Providence - ***Betsy, Kelsey, and Cindy***
